# **CPPDSM3019 Communicate with clients in the property industry**

## **Modification History**

Release 1.

Replaces superseded equivalent CPPDSM3019B Communicate with clients as part of agency operations.

This version first released with CPP Property Services Training Package Version 5.

## **Application**

This unit of competency specifies the outcomes required to interact and build relationships with clients in the property industry. It includes developing rapport with clients, handling initial client enquiries, establishing and maintaining a client database, and dealing with client complaints and problems.

The unit supports the work of a range of property industry professionals, including licensed real estate agents, real estate representatives and support staff, stock and station agents, and strata managers, in interacting and building effective relationships with clients as part of agency or organisation operations.

Licensing, legislative, regulatory or certification requirements apply to this unit in some States and Territories. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.
